Product Recall Information Notice

Hellenic Food Authority (EFET) following further investigation on consumer complaint and accordingly actions, was informed by the company “LIDL Hellas” regarding the spoilage of the organoleptic characteristics of packaged cheese due to mould presence.

Two implicated cheese products are being recalled, with trade name “GOLDESSA Cottage Cheese” και “Linessa Cottage Cheese”, in package of 200 g, and lot number A0068 with best before date 17/01/2013. These products are manufactured by the german company “Naabtaler Milchwerke GmbH & Co.KG.”.

Controls by EFET are on going.

Consumers who have in their possession the aforementioned two products are asked not to consume them. Photos of these products are given below.
