Product Recall Information Notice

Hellenic Food Authority (EFET) was informed through Rapid Alert System for Food and Feed (RASFF) of the European Commission regarding distribution of a tofu (soya cheese) product in cubes, for which the pathogen microorganism *Bacillus cereus* was detected.

The product being recalled originates from China, bears the trade name “Rose bean curd, tofu in cubes/τόφου σε κύβους” with best before date 30/3/2014 and is distributed in glass packages of 454 g. According to the given data, this product was distributed only by the company «Pili Trade», in Heraklion Crete, 364 Avenue Martiron 62.

EFET requested the immediate recall of the above batch of the product from the internal market. Relevant controls are in progress.

Consumers who have in their possession the aforementioned product are asked not to consume it. Photo of the product is given below.
