PRESS RELEASE

EFET proceeded to sampling of food with the trade name “AB Parizaki” (in Greek: “AB Παριζάκι”) after official control based on complaint.

The product, of packaging weight 330 gr, had on its labeling “best before 05/06/2013” and is produced and packaged for the company “AB Vassilopoulos S.A.” (in Greek: “AB ΒΑΣΙΛΟΠΟΥΛΟΣ Α.Ε.”). Based on laboratory analysis, horse DNA was detected (< 1% and > 0.1% of the total DNA).

It is noted that the above mentioned product has already been recalled/withdrawn by the company since the 1st of May 2013.
